Wanted: personal stories of people coping with diabetes or depression

Would you like to inspire and motivate others coping with diabetes or depression?

Share your story with us!

Participants must:

- Live in Washington Heights-Inwood
- Have one of the following:
 - Diabetes
 - Pre-diabetes with family history of diabetes
 - Depression or history of depression
- Be age 18 or older
- Speak English or Spanish

The first step is a 30-minute interview about your story.

Some stories will be selected for the second step and presented as part of a new online information resource.

Participation in the second step will require a 3-5 hour time commitment.
